Bookings are taken based on availability. Contact info@wansteadmhclinic.com

If for any unfortunate reason a pre-paid appointment slot is cancelled, by a professional within 48 hours, (i.e unwell) **Wanstead Mental Health Clinic** requires the professional to inform their client and the clinic management. We reserve the right to offer that time out to other professionals in the interim.

Respecting Boundaries

All Session slots are booked for 60 minutes. This allows for 5 minutes between appointments to ensure no cross over between sessions. Professionals must vacate the room at the end of their booked time. This also allows a professional to access the room up to 5 minutes before an appointment starts. (i.e Where a professional books sessions at 10am they may access the room at 0955 and must vacate the room by 1055) Therefore, the Incoming professional is entitled to knock on the door at 1055, if the previous professional has not vacated the room.

Professionals are not permitted to use rooms between sessions without booking the session.

i.e Where a professional books sessions at 10am & 12.00 they may access the room at 0955 and must vacate the room by 1055. This allows the client session to run from 10am to 10.50am. They will be permitted to re-enter the room at 1155.

Where a professional remains in the room over their booked time they will be invoiced for the session slot.

Clinic Referrals

All referrals are subject to an Administration Fee. Referrals are not included in any Direct Access Allowance. Professionals are not liable for Room Rental on a Referral.

Clinic Referrals are matched to Professionals based on the Client need.

**All Client fees are negotiated by the clinic.
Any discussion regarding rate should be directed to WMHC.**

Client Fees are protected and Professionals may not engage in discussions around the Clients Fee.

WMHC ensures the minimum referral rate offered to a professional is £45.00.

Professionals are offered the referral at a fixed rate with no additional cost to the Professional.

Where the clients need and the negotiated fee allow, Professionals will be offered higher referral rate. (The Internal Referral Notice will include the Referral Rate being offered)

The client is seen by the professional on behalf of the clinic; they do not become the professional's direct client. Professionals have no obligation to accept a Clinic Referral. Any rate negotiation will be managed by Wanstead Mental Health Clinic. Professionals will be paid by the clinic based on the negotiated rate. This rate accounts for the administration costs, covered by the Clinic. Including:

- Room Rental
- Invoicing and financial processing
- Insurance coverage
- Initial Referral Assessment

Clients that are offered to professionals as Clinic Referrals remain clinic clients. They will complete Clinic Registration Documentation. This is done on arrival for the initial appointment. Professionals will complete WMHC Processes to ensure consistency and standards. (See WMHC Paperwork Below)

Professionals will be informed that a client has arrived and is ready to proceed to the allocated room, once all paperwork is completed.

When a referral is accepted the Professional contacts the client to introduce themselves and agree the appointment date and time. (WMHC will give the professional the availability to choose from.) Once the appointment is agreed WMHC will contact the client with payment directions to confirm the appointment booking. The professional will be responsible for invoicing WMHC for all referrals (See Below Invoicing WMHC).

Whilst it is expected that clients will pay for sessions in advance via Bank Transfer, in the event that a client has not yet completed payment in advance, the client can pay by Credit / Debit Card on arrival. Only once payment is confirmed, will a professional be informed the client is ready for them to be collected from Reception. Professionals must wait until the booking in process is complete, before coming to reception to collect the client.

WMHC must be informed of the appointment schedule, to ensure payments are maintained.

WMHC will provide the professional with all relevant documentation for use with Referral Clients. These documents are to be the only documents used. Including for the purposes of

the notes taken and Session Tracker so that WMHC can maintain an accurate oversight of the progress.

Referral Clients will receive a courtesy call every 4 – 6 weeks from WMHC Executive. Any feedback will be given to the Professional.

Referrals are offered separate to Direct Access Payments. Which are for professionals to see their own Direct clients.

WMHC Paperwork

WMHC will process all invoices received within 14 days. (Except Mind Right Referrals).

All referrals offered will be offered following an assessment by WMHC. Professionals will be sent an Internal Referral Notice. All referral clients must be treated with consistency and WMHC must be able to maintain an accurate and consistent overview of all clients. WMHC Paperwork includes

- Internal Referral Notice
- Client Record Included Therapeutic & Confidentiality Boundaries – (Completed and Signed by the client on arrival for their 1st Appointment)
- Session Tracker

All documentation is shown in the Service Handbook and Affiliated Professionals will receive a full set of WMHC Templates to be used with Clinic Clients.

Invoicing WMHC

Affiliated Professionals will be required to Invoice WMHC each month for all Referrals Appointments. Invoices should be received by the last day of the month.

Invoices to WMHC Must include:

Date of Appointment	Referral Reference	Session Delivery Remote / F 2 F	Session Number	Referral Fee

WMHC ensures to pay invoices within 14days of receipt.

Therapeutic Pathways

Initial Enquiry & Pre-Therapy Assessments

A direct conversation will take place with the prospective client. Where a direct referral can be made the Referral will proceed. And an Internal Referral Notice will be sent to the Professional.

Baseline information will be obtained and the level of need will be explained to the client, including the cost per session. A member of the appropriate team will be identified that meets the best fit with the client.

If the client agrees to proceed, Wanstead Mental Health Clinic will send the client payment instructions. On receipt of payment, the client will receive confirmation of the booking.

Pre-Therapy Assessment

Where appropriate it may be beneficial for a prospective client to undertake a Pre-Therapy Assessment.

WMHC have designed this assessment to support those that have struggled to connect with a Therapeutic Professional or are presenting with complex or multi layered concerns.

The Pre-Therapy Assessment gives a prospective client an overview report with guidance including:

The overview report also offers knowledge to successfully engage with an ethical and appropriately suited professional for that individual's needs.

Key Access

Professionals Access to the building is by appointment. Affiliated Professionals that wish to offer appointments 'Out of Reception Hours' (10-4) can do so and receive an Access Key.

NOTE: All Access Keys are granted by Totality Wellbeing Hub Management under their Key Holder Agreement. Keys are Security Coded and cannot be replicated without authorisation. Keys must be signed for and Key holders accept responsibility for informing WMHC in the event of a Key being lost.

Responsibility for Access Keys is extremely important. Security Coded Keys alone are costed at £20.00 per key. Plus a returnable deposit of £20.00 payable to Totality Wellbeing Hub Management.

Mind Right Referrals

Wanstead Mental Health Clinic is an Approved Service Provider to Mind Right and Affiliated Professionals are invited add Mind Right Referrals to the benefits of Affiliation. (This is a separate registration process)

These are not used as a core business revenue stream for professionals. These are made with the following fixed terms:

The rate per completed session is £45.00

Professionals are paid at the same rate for Online sessions. (This rate is secured for-WMHC Practitioners and fixed for both in person and remote appointments)

Mind Right do not cover the cost of No Shows or Late Cancellations.

Payment from Mind Right is made 30 days from the end of the month that the invoice is submitted.

- Professionals are responsible for setting the appointment schedule and modality for sessions.
- Professionals must provide the appointment schedule so Mind Right are updated and complete a fixed progress report at the halfway point.
- Professional can request additional sessions, by completing the Mind Right Request form.
- Professionals must inform WMHC if there is a break in contact, No Show, or Late Cancellation. WMHC will contact the client and liaise with Mind Right to get sessions back on track.
- Professionals must complete an End of Therapy Report along with their Invoice.

Affiliation to Wanstead Mental Health Clinic – The Therapeutic Centre of Excellence

Requirements

Affiliating to a Centre of Excellence is not the same as joining a collection of sole traders that simply use a room in a single building.

Wanstead Mental Health Clinic - The Therapeutic Centre of Excellence, is offering a truly different service to professionals and as such the affiliation requirements are different.

All professionals wishing to affiliate with **Wanstead Mental Health Clinic - The Therapeutic Centre of Excellence**, are required to provide evidence of:

- Qualification (Level 4 Diploma and above)
- Placement Record if Qualification is under 5 years
- Appropriate Professional Insurance
- Professional Supervision (External)
- Voluntary Register Affiliation (To the organisation of your choice)

Everyone wishing to affiliate with **Wanstead Mental Health Clinic** will complete a direct conversation with the Clinical Director of **Wanstead Mental Health CIC**.

All professionals agree to abide by Ethical & Professional Conduct Protocols.

Ethical and Professional Conduct Protocols

Wanstead Mental Health Clinic encourages all professionals to maintain an active learning attitude towards ethical and professional conduct. If in doubt on any question of ethical and professional conduct, members should seek guidance directly.

Our Ethical and Professional Conduct overview

1. Trust, Openness and Truth

Congruence in and out of your practice is essential. The foundation of all positive relationships, begin with trust, openness, and truth.

2. Confidentiality, Protection, and Boundaries

Creating boundaries creates safety and security. Being confident to set boundaries in your professional and personal life is reflective of assertiveness, self-care, and ethical practice.

3. Accountability and Responsibility

We all make mistakes; responsibility to acknowledge, process, accept, and explore, is reflective of accountability and responsibility.

4. Social Media

Wanstead Mental Health Clinic does not condone any information regarding clients being disclosed via any means, including social media, this includes Facebook, X Formerly Twitter, therapy groups, LinkedIn, or any other platform. Wanstead Mental Health Clinic will vigorously protect all clients and any such breaches of client identification will result in further action being taken as required.

What are Ethical and Professional Breaches

- Legal and moral breaches of confidentiality
- Sexual misconduct
- Non-disclosure of criminal or civil investigations
- False recording of evidence
- Bringing the industry into disrepute
- Malicious communications
- Misrepresentation of a client

This is not an exhaustive list and while acts of criminal and civil wrongdoing are clear, we acknowledge the boundaries of individual practice, to account for and take immediate action in relation to informing the correct authorities in situations of:

- Personal risk of harm
- Risk of harm to others
- Terrorism
- Money laundering
- Trafficking / slavery
- Coercion to Assisted Dying
- Genital Mutilation

Note: Risk of harm to self and others includes any and all:

- Coercive Control
- Chemical or Physical Mutilation
- Physical, Emotional, Psychological, Financial Abuse

Failure to report these situations and inform a client that the report is being made will be seen by the organisation as unethical and would result in removal from the clinic. This would be made public if the actions of the professional were deemed a risk to the public by either law enforcement or independent legal advice.

Ethical actions and interactions are based in empathy, congruence, and unconditional positive regard: to be treated in any other way would be unethical. This extends beyond the traditional measures of discrimination and abuse. To ensure that maximum protections are in place for everybody the 'burden of proof' in complaints levelled against professionals in the therapeutic sector has traditionally been unfairly favoured to protecting the alleged wrongdoer, as the injured parties are often unable to meet a 'burden of proof'. As a result of this, We have selected to use the principle of civil law's Burden of Proof – 'the probability of guilt' rather than the criminal law burden of proof – 'beyond reasonable doubt'

Let it be clearly known and understood that no unethical actions on the part of anyone affiliated to Wanstead Mental Health Clinic will be tolerated.

Continuous Professional Development

Wanstead Mental Health Clinic is committed to supporting all Affiliated Professionals to enhance and grow their professional knowledge and understanding. To this end, we will host multiple Public CPD events throughout the year. These will include:

- The Art of Therapy
 - Building a solid Client Base
 - Building a consistent Client Experience
- Working Alone, Working Safe, Working Wise
- Alpha Wave Therapy
 - Introduction
 - Practitioner
- Working with Veterans

All Affiliated Professionals will receive a Dedicated Discount Code for all Public Training Events.

All professionals will be given a formal induction session with the Executive Directors.

- Have you ever been refused or expelled from membership of any professional body or register on the grounds of professional misconduct?
- Have you ever been the subject of any criminal or civil claim brought against you, other disciplinary action, investigation, proceeding or enquiry?
- Are you currently or likely to be the subject of any disciplinary action, investigation, proceeding or enquiry?
- Is your fitness to practise impaired for any reason including health or personal circumstances?
- Are there any other factors which could call into question your suitability for affiliation?

Professional Disclosure

If you can answer 'Yes' to any of the disclosure statements above, please provide a full and comprehensive signed statement including details of Circumstances surrounding the disclosure,

Such as:

- Any mitigating factors
- What steps you took to turn your life around
- What you have learnt from your experiences

You should send this to our Executive Team marked 'private and confidential'.

All material information relating to your membership must be disclosed. It is your responsibility to ensure that you declare all relevant information.

Any information declared may be processed alongside the clinic's own due diligence to determine suitability for affiliation.

Under the Rehabilitation of Offenders Act 1974, certain convictions will become spent after a certain amount of time. If you have been convicted of a criminal offence you must declare your unspent convictions but do not need to declare ones that are spent. For guidance on whether a conviction is spent, please speak to the Citizens Advice Bureau or the relevant government department.

If you have any convictions, please list your unspent conviction(s) on a disclosure of criminal convictions form available by calling customer services.
